

THE JEFF CARNEY FAMILY

Crossroads Family,

September 13, 2014

Coming back to Crossroads is like drinking a cold glass of water on a hot day. We always leave refreshed, encouraged and with a cup that is full and running over! Thank you for more than 14 years of prayers, concern for our family and ministry, friendship and encouragement.

We were not at all surprised with the first class fruit basket, the wonderful accommodations, the generous love-offering, the great meals or the sincere fellowship. In this regard, "There is nothing new under the sun" at Crossroads. You are a model church that we are blessed to be associated with.

We are excited about the prospects of short-cycle church planting and look forward to sharpening one another as we walk and work together towards the shared goal of developing indigenous churches that are leaner and greener. Time is short, false teachers abound and the gospel is as powerful as ever. How crucial then for us to prepare a plan that enables us to impact this world for Christ by planting churches. "Two are better than one" and we look forward to seeing how God continues to unite our hearts and fan the flame!

Together Impacting the World for Christ,

The Jeff Carney Family
